This spectacular event is set to take place during Stennis Day on Saturday, November 11th, from 12 noon to 5 pm at the Historic Courthouse on Main Street.

BUD & BURGERS IN THE BAY IS NOT JUST ANY BURGER COMPETITION: It's also a celebration of the many accomplishments in space and ocean exploration at Stennis Space Center. The event promises a day filled with incredible experiences, including live music, interactive exhibits, and the unique opportunity to honor the achievements of Apollo 13 Astronaut Fred Haise on his 90th Birthday.

HERE'S HOW TO PARTICIPATE: Participating is easy, just go to www.hancockchamber.org to register online and find out all the details you need. Teams can compete for the title with an entry fee of \$50. Additionally, we offer sponsorship opportunities ranging from \$250 to \$1,000, providing you with great visibility and involvement in this stellar event.

PRIZES AND RECOGNITION: A panel of esteemed judges will crown the best burgers, and the winners will receive prestigious prizes. But that's not all! The crowd's opinion matters, and the burger with the most votes will earn the People's Choice award. Let your creativity soar, as burgers with a space theme are the order of the day. Let your imagination blast off and create an extraordinary burger that's truly out of this world!

SUPPORTING NOBLE CAUSES: We are proud to announce that the proceeds from Bud & Burgers in the Bay will contribute to two noble causes: Leadership Hancock Programs of the Hancock Chamber of Commerce and Make-A-Wish. By participating, you're not only having a blast but also making a meaningful difference in our community.
